

## Guidance on Patent Applications for Industrial Design in Algeria

### I. Overview

### II. Application Documents Requested

#### Minimum filing documents

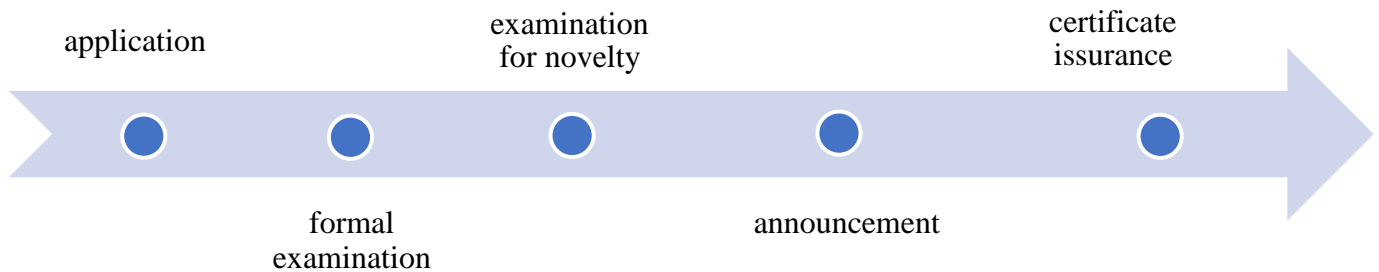

- request for design registration;
- design representation in JPG format;
- specification according to the Locarno classification;
- an explanatory legend (a brief paragraph explaining the novelty and originality of the design)

A certified copy of the **Priority Document** alongside a verified French translation

Simply signed **Power of Attorney**

### III. Application Process

### IV. Validity Term

- The initial validity term of design protection in Algeria is one year from the date of filing. A 9-year renewal term could be applied once. The maximum protection period is 10 years.
- The request for an extension of the protection period may be made either at the time of filing or within 6 months before the one-year period expires.
