a representation of the trademark;

a list of goods/services;

priority date, country and application number (if any);

III. Application Process

IV. Validity Term

- Trademarks in Portugal are valid for **ten years** from the date of filing and **renewable every ten years** for an unlimited number of times.
- Renewal can be requested within **six months before the expiration date**, or during the grace period of six months following it, upon payment of late renewal fees.

V. Note

- A trademark registration in Portugal may be **cancelled** if it **has not been used for five years** from the registration date.
- Trademarks registered in Portugal can be protected in the Azores, Madeira and other Portuguese territories.
- Portugal's trademark registration adopts a **pre-publication procedure**. Passing the public announcement does not necessarily mean that the trademark will be successfully registered, which is quite different from China.
